Uplands Elementary School Code of Conduct...

COOPERATE with each other. Be a great
CITIZEN.

APPRECIATION. Appreciate others.

RESPONSIBILITY for our learning, our
words and our actions.

EMPATHY. Show empathy for others.

SAFETY. Help make Uplands a SAFE
place to be.

Principal's Message

We have had two weeks of school, and students and staff are settling into familiar routines, although our kindies are still learning new ones. I want to thank the Uplands community for your welcoming support through my own transition to a new school this year.

As we begin a new school year, it is helpful to review our school's code of conduct. Please have a discussion with your children around the Uplands Code of Conduct. Discuss examples for appropriate and non-appropriate behaviour around each. It is vital that each student feels safe and comfortable coming to school each day, and every student has this right and this responsibility.

I wish to extend a special welcome to all our new students, many of which have travelled a long way to be in Terrace. We have many from diverse cultures and speaking languages other than English.

Happy September, everyone!

Annette McAlpine
Principal

Our School's annual Terry Fox Run will occur on Thursday afternoon. To raise money for cancer research, we invite anyone who would like participate through a donation. We will have a little fun by collecting certain coins each day.

Monday—nickels
Tuesday—dimes
Wednesday—quarters
Thursday—loonies and
toonies

It is also helpful for students to think about who they will run for, as I am sure that we have all been affected by cancer one way or another.

You are invited to our Open House being held on September 28th, from 6:00 p.m. until 7:00 p.m.

Come meet your children's teachers, see their classrooms and routines, and view all their wonderful work adorning the hallways!

Students brought forms home on Friday. Please take a few minutes to read and complete the forms. I know it is a lot, but the forms are necessary for many activities your children will be involved in this year.

Uplands is a peanut free school. Please do not send any food with your child that may contain peanuts.

School Fees

If you have not already paid for your student's school materials, please do not forget. You may send cash or cheque with your student or submit your payment to Teri at the office. Please note that we do not have a debit/credit machine at the school.
